Dear Current FCS Parents,

November 2009

This year we are changing the re-enrollment process. We are responding to your desire to make this process easier. Students currently enrolled at Fredericksburg Christian Schools will automatically be re-enrolled to reserve a place for them for the upcoming 2010-11 academic year. The mailed re-enrollment form has your family's information listed. If the re-enrollment form with pre-merged family information is misplaced or not received, please use the blank 2010-2011 Current Family Re-Enrollment Form included on this website.

When completing your re-enrollment form, please do the following:

➤ ***COMPLETE ALL SECTIONS.***

- Select campus request, payment options and any additional items needed for the 2010-11 school year for current students and new siblings.
- When adding a new sibling, the following must be received before testing/interview will be scheduled:
 - Copies of his/her report cards from the three previous years and results of all available standardized test scores and IEPs
 - Home School Report Form (on website) if sibling was homeschooled

➤ **Sign and date the back of form.**

➤ **Include the appropriate deposit.**

➤ **We encourage you to make a copy of the form to keep with your records at home.**

➤ **Submit the completed form and payment** to any campus office or by mail. After January 29, 2010, the deposit will increase to \$175/re-enrolling student, and the student's reserved place will be opened to new applicants.

➤ **If you do NOT wish to re-enroll** your student for the 2010-11 academic year, please notify the business office as soon as possible by e-mailing Marie Stanley at mstanley@fcschools.org or by calling (540) 735-1286.

If you are adding a new sibling for pre-kindergarten or kindergarten, please note the following policy:

- Applicants who turn three by September 30th will be considered for enrollment in the Pre-K 3-year-old program.
- Applicants who turn four by September 30th will be considered for enrollment in the Pre-K 4-year-old program.
- Applicants who turn five by September 30th will be considered for Kindergarten.

If you are enrolling a new sibling, we will be in contact with you shortly after your form is completed and submitted in order to schedule an evaluation and give you further details. It is exciting to see brothers and sisters entering FCS, **and we will, of course, give preference for enrollment to current FCS families who apply by January 29th. After January 29th, your name will be included in the waiting pool with new families.**

You may view the 2010-11 tuition rates on our website at www.fredericksburgchristian.com under the Admissions tab.

Thank you for your patience and support. It is a privilege to work with you on behalf of our Lord and Savior, Jesus Christ.

In Him,
The Administrative Team
